1. *An interesting hobby*
2. *My family story*
3. *How I spent the weekend*
4. *My favourite places*

**A.** I had a great time! On Saturday we went to the amusement park and had fun there. First we went to the roller coaster, then to the swings and then to the thrill rides. We also had a large pizza in a café. On Sunday my cousins came to visit us and we had a party at home with games, films and music.

**B.** I love my city. There are nice quiet streets and I enjoy walking there with my parents. Mum knows the history of each building and her stories are always interesting. I also like playing at the playground near our house. Sometimes my parents take me to the amusement park and it's certainly the best. The park is large with lots of rides and I can spend the whole day there!

**C.** When my friends come to my place, they often get interested in the photos on the walls. My mum has a large collection of the photos of our city. She has taken photos since she was a schoolgirl. Her pictures show how the city has changed since that time. For example, there was a field near our house. Five years ago, a large entertainment park was built there. Mum visited the opening ceremony and took nice photos of it, too.
